EXHIBITION PROSPECTUS

The Member Spotlight show will focus on your artist's voice. What captures the spirit of your art practice? This is a chance to share YOUR passion, your unique point of view. What has influenced your work over the years? How has it changed? Was there a turning point that brought you to the way you work today? A technique with which you are obsessed? What is your relationship to your art? This exhibit is a chance to let all of our members' individuality take center stage.

This is a non-juried exhibition, however, only one artwork per artist may be selected depending on space.

The North Hills Art Center utilizes a hanging system of cables and hooks. Work will not be hung directly onto the wall. No work accepted that requires being hung from the ceiling. **WORK CANNOT BE LARGER THAN 36" IN EITHER DIRECTION.** As the Center facilitates classes throughout the week to all age levels, the gallery requests no images of nudity of a sexual nature, graphically violent or depicting gore, no use of or depiction of illegal substances.
