

Exhibition Prospectus

Spotlight, a Fiberarts Guild of Pittsburgh member exhibition, will focus on the unique voices and artistic practices of our diverse member-base.

FGP members, this is a chance to share your passion, your spirit, and your point of view. What has influenced your work over the years? How has it changed? Was there a turning point that brought you to the way you work today? A technique with which you are obsessed? What is your relationship with your art? This salon-style exhibit allows our members' individuality to take center stage.

This is a non-juried exhibition. At least one artwork per artist will be selected.
